**To:** [Gary Moore/R6/USEPA/US@EPA](#)  
**Cc:** [Wright, Jeff](#)  
**Subject:** Schedule for Delta Shipyard  
**Date:** 10/24/2012 04:34 PM

---

Gary,

Wanted to follow-up on our conversation earlier today. It is our understanding that the interim report for Delta Shipyard will be due on 12/4/12, 30 days prior to the final report date of 1/4/13. Please reply with a confirmation so that we can pass along to our program personnel.

I spoke with Jeff after our call to let him know you are pursuing action levels through your chain

Thanks  
David

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.
